ALL Applications must include construction drawings of the desired change and a plat of the lot showing the location of all changes you are requesting, as well as a list of materials to be used.

An Exterior Alteration Application is required for all decks, fences, storm doors and outdoor storage containers and any requests for changes to the exterior of the lot or unit.

DECKS – A copy of the approved Harford County permit must be provided prior to construction.

An Exterior Alteration Application must be approved by the Architectural Committee prior to initiating any improvements.

FENCES

- Rear yard fences only.
- Board-on-board style only. Also marketed as alternating board or vertical board style.
- Pressure treated lumber only.
- Gates must open inward. Style and location of gate must be indicated on application.

To ensure community integrity and appeal, it is necessary for **everyone** to cooperate in completing this application for any exterior changes that one may wish to do, pursuant to your association's documents.

This application does not exempt you from obtaining, where necessary, any Harford County permits and from contacting Miss Utility, if relevant to the change desired. If using a contractor for said work, please furnish us with the following information:
